Make a magic ring

R1: 8 hdc into ring (8 sts). Work in rounds through row 9. Use a stitch marker to keep track of the rows.

R2: 2 hdc in ea st around (16 st)

R3: *hdc in next st, 2 hdc in next st, repeat from * around (24 st)

R4: *hdc in next 2 st, 2 hdc in next st, repeat from * around (32 st)

R5-9: hdc in ea st around (32 st)

Note: Starting with row 10, rows are no longer worked in a continuous round. Instead begin each row with chain(s) and end by slip stitching to the 1st st.

To prepare, sc in next stitch, and slip stitch in the next st before beginning row 10

R10: ch 2 (counts as the first stitch in the row). Then hdc in each stitch around and join with the top of the ch 2.

R11: ch 2 (counts as a stitch), *front post hdc in next st, back post hdc in next st* repeat * to * around. Join with top of the ch 2. (32 st).

R12: ch 1 and sc in same stitch as joining (counts as first post stitch), *front post sc in next st, back post sc in next st* repeat * to * around. Join to top of first stitch. (32 st).

Fasten off and weave in ends.
